

4081.5 1-inch Ball Mount Mark II for Vega Light

- This 1-inch Ball Mount Mark II is designed specifically for the Vega light and allows attachment of 1-inch diameter ball arms from Ikelite, TLC, Ultralight, Nauticam, and others. Requires a compatible 1-inch Ball Clamp, sold separately.
- To attach to your Vega, place the Base or flat side of the Ball Mount so that it is flush on the bottom of the Vega light. The index hole in the Base of the Ball Mount must line up with the Index Post on the Vega to allow proper attachment. A Shoulder Washer is pre-installed in the Ball Mount to assist in proper centering of the Mount. Tighten the Mount to the light with the screw provided. **DO NOT** overtighten.

Spare Parts

- 0138.18 1-inch Ball O-ring
- 0213.87 1/4-20 X 7/8 Slotted Head Screw
- 0212.4 Shoulder Washer

Limited Warranty

This Ikelite product is warranted against any manufacturing defects for a period of one (1) year from the original date of purchase. Defective products should be returned to Ikelite postage paid. Ikelite will, at its sole discretion, repair or replace such products, and will return to customer postage paid. All other claims of any nature are not covered. Except as mentioned above, no other warranty expressed or implied applies to this Ikelite product.
